Come and join ARTandSEEK for a tour of some of Andy Warhol's most famous works.

We will see how the artist's personal interests and passions totally transformed his way of making art, giving birth to a new movement known as Pop Art.

During our visit we will explore iconic pieces of Pop Art, including pictures, objects and music, delving into Andy's world and understanding how everything he did was relevant to his art making. During and after our visit we will have a go at making a little pop art for ourselves.

For this event advance payment is required.

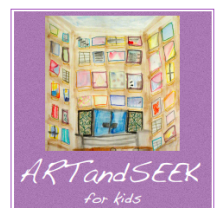

**The programme is taught entirely in English for fluent children.**

The programme is open to members of *ARTandSEEK*.

Annual membership for 2019 is on promotion at 6€ per child until 30th November.
