We will visit a beautiful exhibition of costumes, music, paintings and contemporary art installations at Museo di Roma.

All the pieces by great artists who worked for the theatre, such as De Chirico, Picasso, Burri, Calder, Afro and Kentridge, are part of the archives of the Teatro dell'Opera di Roma starting from 1946, and are displayed in the grand salons of Palazzo Braschi .

The children will learn how stage performance is created through different forms of artistic expression and how it can be a multi faced artwork. They will enjoy writing and drawing activities around the theme of theatre.

The programme will be held in English.

The programme is open to members of **ARTandSEEK**.
Annual membership costs 5€ per child and will be valid for 2018.
