We are going to visit the exhibition about Antonio Canova, considered the greatest Neoclassical sculptor of his time.

The children are going to explore his artworks including models and drawings, entering the artist's world through his sculptures. They will understand his relationship with Rome and classical art and will be engaged in many different drawing exercises inspired by Canova's famous statues throughout the entire visit .

The programme will be held in English. An Italian speaking assistant will be helping children who are learning the language when necessary.

The programme is open to members of *ARTandSEEK*.

Membership valid September through December 2019 is 5€ per child and comes with an Activity booklet to download. Info [here](#)
