Join us for one of our most successful programmes discovering the relationship between colours and emotions seen through the eyes of great artists.

The children are going to explore artworks by Van Gogh, Kandinsky, Monet and others to understand how they used colour, patterns, shapes and light to express their emotions. They are going to draw and use colour inspired by the artist analysed and will be engaged in discussions and fun activities throughout the entire visit.

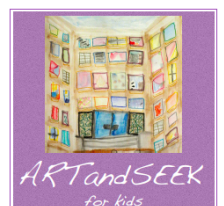

The programme will be held in English. An Italian speaking will be helping children who are learning the language when necessary.

The programme is open to members of *ARTandSEEK*.

Membership September to December 2019 costs 5€ per child
