Join us for an exciting live drawing workshop during which the children will visit the Galleria Nazionale and draw on site in order to learn basic techniques for pencil drawing.

We will visit the permanent collection and sit down in the museum in front of an installation or sculpture. The children will learn about the artists and be engaged in simple pencil exercises. They will then have time to interpret the piece of art in their own personal style.

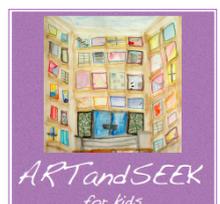

The programme will be held in English with attention to those learning the language.

The workshop will last about 1,5hrs and will be confirmed with a group of 7 children minimum.

The workshop is open to members of *ARTandSEEK*.

Annual membership for 2024 is discounted at 5€ per child and will be valid until 31st December 2024
