ARTandSEEK is going to visit the Keats-Shelley House and the exhibition "Illuminating poetry" where we can admire a series of beautiful hand crafted books by Phoebe Anna Traquair, who used her signature combination of gold, blue and crimson to draw attention to the poetry's page as a work of art.

The children will reflect on how Phoebe, inspired by fifteenth century illuminators, was capable of conveying emotion through lines and colours, and they will have the chance to illuminate a poem by themselves.

The programme will be held in English.

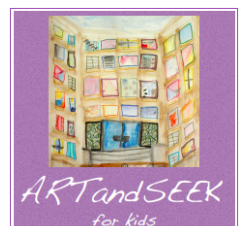

Parents can either leave their children or take part in the tour with museum entrance ticket only.

The programme is open to members of *ARTandSEEK*.

Annual membership costs 5€ per child and will be valid for 2018
