Saturday 12 May 10:30

Sunday 13 May 10:30

Museo dell'Ara Pacis
Lungotevere in Augusta

Associates Contribution:
Children 15€
including museum entrance
(no credit cards)

We are going to visit the Ara Pacis, one of the oldest monuments in Rome, and we will compare the old marbles with the new ones built by Richard Meier around it.

The children will reflect on the relationship between new and old in art and architecture and discuss the theme of "journey" through the monumental mosaic that artist Mimmo Paladino installed in the Ara Pacis building in 2006. They will be engaged in activities of drawing and writing inspired by Paladino, Meier and the Ara.

The programme will be held in English

Parents can either leave their children or take part in the tour with museum entrance ticket only.

The programme is open to members of **ARTandSEEK**.

Annual membership costs 5€ per child and will be valid for 2018
