and materials

Join us for a visit to one of the best exhibitions present in Rome at the moment.

The children are going to understand the world of Maria Lai, a great Italian artist who explored story telling through fabric and threads. They will look at beautiful artworks inspired by tradition and modernity. During the visit they are going to draw and use threads for activities inspired by the artist and will be engaged in discussions on how we can use different materials to tell a story.

The programme will be held in English. An Italian speaking assistant will be helping children who are learning the language when necessary.

The programme is open to members of *ARTandSEEK*.

Annual membership valid through December 2020 is 10€ per child and comes with an Activity booklet to download. Info [here](#)
