For the last event of the year we will be visiting the exhibition about Claude Monet.

Following Monet's life in Paris, London and Giverny, the children will observe his style develop from his childhood caricatures, to misty cityscapes, to the colourful paintings of his garden we all know today.

They will learn how Monet's work is focused on light and reflections and understand how it led to "Impressionism".

During the museum visit the children will be engaged in simple activities of drawing and writing inspired by Monet's paintings.

The programme will be held in English.

The programme is open to members of *ARTandSEEK*.

Annual membership costs 5€ per child and will be valid for 2018.
