Join us for our special two-part gallery visit for children and adults! The two programmes are linked but you can join one only if you like.

At Palazzo Massimo we will explore ancient artifacts and the stories they represent. Linking myths and legends we will see how these very old pieces have inspired contemporary artists who used the same iconography but in a modern key.

On our second visit to the Galleria Nazionale d'Arte Moderna, we will analyse contemporary art in connection to ancient pieces seen at Palazzo Massimo.

Thanks to our parent's enthusiasm about how much they learn while accompanying their children, we have decided to invite adults to follow the same programme, simultaneously, with a different guide, (while their children enjoy their own) in order to explore art and maybe practice their English as well!

The programme is open to members of *ARTandSEEK*.

Annual membership valid until 31st December 2020 is 10€ per child and comes with an Activity booklet to download. Info [here](#)
