We are going to visit the Museum Carlo Bilotti to explore the theme of Portraits and Identity through the work of artists including Giorgio de Chirico, Larry Rivers and Andy Warhol.

Through portraits and self-portraits, the children will observe and discuss how artists represent personality, character and identity in different ways.

Following the museum visit, the children will take part in a watercolour workshop in the park outside the museum, creating portraits inspired by the artworks they have seen and exploring how colour, expression and composition can communicate identity and emotion.

During the visit they will be encouraged to share their ideas and reflections while closely observing the artworks.

The programme will be held in English, with support for all language levels.

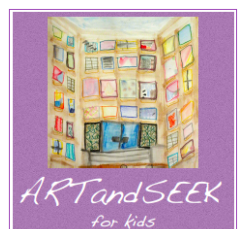

The programme is open to members of **ARTandSEEK**.

Annual membership 2026 costs 10€, valid until 31st of December 2026.

New members are asked to submit a membership form.
