

**STREET ART TOUR
for Children

accompanied by at least
1 parent or guardian**

**Sunday 19th May
11:00**

Via Ostiense/Via del Porto Fluviale
00154, Roma

**Associates contribution:
Children 15€**

The colourful quarter of Ostiense is home to a wide variety of striking murals by street artists including Blu, Iena Cruz and Carlos Atoche.

On our open-air visit, children will see how these painters have been inspired by the natural and man-made world, as well as by artists and art that came before them.

We will have a chance to see street art being used as a powerful tool to draw attention to social and natural issues, and we will be searching for patterns and connections in the art we find on our way.

During the tour the children will be engaged in simple drawing activities inspired by street art.

The chosen artworks are close together so the walking distance is fairly short and we will be stopping frequently.

The programme will be held in English.

The programme is open to members of **ARTandSEEK**.
Annual membership costs 10€ per child and will be valid for 2019.
