by at least one parent

Sunday 6th October
10:30 to 12:00

starting at Via Ostiense

Fluviale

Associates Contribution:
Children 15€
Parents 5€

The colourful quarter of Ostiense is home to a wide variety of striking murals by street artists including Blu and Lena Cruz

On our open-air visit, children will see how these painters have been inspired by the natural and man-made world, as well as by artists and art that came before them.

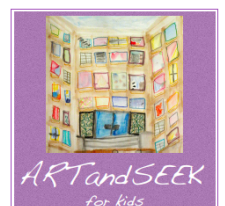

We will have a chance to see street art being used as a powerful tool to draw attention to social issues, and we will be searching for patterns and connections in the art we find on our way.

During the tour we will stop to draw on site.

The programme will be held in English. An Italian speaking assistant will be helping children who are learning the language when necessary.

The programme is open to members of *ARTandSEEK*.

Membership valid September through December 2019 is 5€ per child and comes with an Activity booklet to download. Info [here](#)
