Join us for the art event of the year!

The programme is created for children.

We are going to learn about the iconic artist admiring many of his works, analysing his original brushstrokes and looking at his use of colour.

The children will understand Van Gogh's innovative language discussing his life, his letters and his approach to portraits and self-portraits.

They will be engaged in simple activities of drawing to create their own piece of art inspired by the great personality of one of the most famous artist in the world.

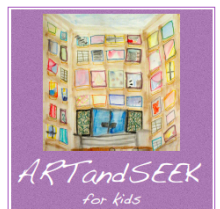

The programme will be held in English with help to those learning the language.

The programme is open to members of *ARTandSEEK*.

Annual membership costs 10€ per child and will be valid through 2023
